Elected Officials/Department Heads: County Commissioner Randy Deans would like to reserve and be able to have and use the Boom Axe for the months of September and October 2021. Commissioner Anderson brought up a few concerns with the transmission of the Boom Axe but should be fixed and in good working order by the time Commissioner Deans is to use it. Commissioner Anderson reported that she has had materials moved from HWY 190 to get cleaned up and ready for more millings from Tx Dot in near future. Commissioner Anderson also reported she is trying to get a plan together to fix CR 116 after the current construction is over. Commissioner Kemp has a concern about tarps for trucks delivering and moving materials along the highways and byways to keep materials from falling out of the trucks.

Public Comment: Dixie Pitcox delivered her Republican Primary Judges list to the court to be put on the next Commissioners Court Agenda.
