Needs some help from other Commissioners and road hands for he has a new inexperienced employee whom he is reluctant to put on the heavy equipment. Commissioner Anderson and Commissioner Deans informed Commissioner Bratton that TAC and Warren Cat both have programs that will help train employees on the equipment. Commissioner Bratton received an email from Mr. West at Warren Cat along with two bids to purchase equipment from Commissioner Bratton, which he showed to County Judge Frank Trull to get a better understanding on the email and what it is he is wanting to do with equipment from precinct #4.
